

Ministry Opportunities for College Students/ Young Adults

Interested in plugging into a ministry here at HCC? God calls each believer to "go and make disciples of all nations." To "make disciples" each of us must get involved in ministry opportunities that will allow us to exercise our spiritual gifts. Involvement in the local church provides opportunities for the believer to minister, worship, give, encourage, and feel a sense of belonging.

Service Opportunities at HCC:

- AWANA/Children's Ministry
- Youth Ministry
- Special Music/Praise Ministry
- Multimedia
- Neighborhood Outreach
- College / Young Adult Ministry

**"go and make disciples
of all nations..."**

-Jesus, Matt 28:19

Praise & Worship

HCC worship is contemporary in nature. A full praise band, including drums, acoustic and electric guitars, bass, keyboard, percussion, and piano, leads worship each Sunday. Because of Biblical doctrine and familiarity, we have not abandoned hymns. They are mingled (in a contemporary flavor) with the praise and worship choruses. All songs are biblically based and encourage the believer to worship our Creator and Redeemer.
